Re: Easton v. City of New York, et al. 05 CV 1873 (ERK) (KAM)

Dear Judge Azrack:

I am the attorney for the Plaintiff in the above captioned matter. I have recently received an authorization from my client for the psychologist that is treating Mr. Easton. I am also attempting to ascertain whether his Reverend has any relevant information to offer. If so, I will provide an authorization for his records.

I have spoken to Ms. Scharfstein who agrees to a two-month adjournment during which time she will process the authorization.

I have communicated a settlement demand to Ms. Scharfstein and she has indicated that she will consider the demand after reviewing Plaintiff's medical records.

With your Honor's approval, the parties request an adjournment of the conference scheduled for January 11, 2006 to March 22, 2006, at 11:30 A.M.

Thank you for your kind consideration.

Respectfully Submitted,

/s/
